Opener & Closer:

Circle to the left. Why do birds suddenly appear every time you are near? **Left allemande** and then you **dosado**. The **men star left**. Come on and **turn your partner by the right** hand round. **Left allemande, promenade** on down. Just like me, they long to be close to you.

Figures (Twice for heads, twice for sides):

Heads promenade half way around. Walk right in and **square thru** to four. Go all the way and then **touch a quarter** and now **scot back** boy. **Boy run** right. You **star thru, pass thru, trade by**. **Swing** the corner girl promenade I cry. Just like me, they long to be close to you.

Middle Break:

Sides face grand square. On the day that you were born the angels got together and decided to create a dream come true. So they sprinkled moon dust in your hair of gold and starlight in your eyes of blue. **Allemande left** and **weave** the ring. That is why all the boys in town follow you all around. Just like me, they long to be close to you.
