

The Goodbye Song

Shakedown Records SD305

Vocal by Pat Carnathan

Based on a song from Bear in the Big Blue House

Opener & Middle Break:

Circle to the left. Hey, it's been really fun; we hope you liked it, too. Seems like we've just begun when suddenly we're through. **Left allemande, turn your partner by the right, left allemande** your corner, **weave the ring.** Goodbye, goodbye, good friends goodbye. 'Cause now it's time to go. But hey, I say well, that's okay 'cause we'll see you very soon I know.

Figures (Twice for Heads, twice for sides):

Heads (Sides) square thru four hands 'round you know. You find the corner, **touch a quarter, split circulate** go **once and a half.** Everybody **cut the diamond.** When you're there, **half tag, single hinge,** now **fan the top.** Everybody **recycle** and **square thru three.** **Swing** that corner **promenade** her. Hey, I say well, that's okay 'cause we'll see you very soon I know.

Closer:

Four ladies promenade, go girls inside the ring. Get back and **swing** your man, swing 'em on around you know. Join hands and **circle to the left** around the ring, **left allemande** with the corner, then **weave the ring.** Goodbye, goodbye, good friends goodbye. 'Cause now it's time to go. But hey, I say well, that's okay 'cause we'll see you very soon I know.
