## Intro:

**(Sides Face Grand Square)** If you need someone to talk to you can talk to me. I can give you all my time and my advice is free. **(Allemande left and weave)** I can give you anything you ask; almost anything I have. But if it's my heart you want it's already taken.

## Figures (Twice for heads, twice for sides):

**Heads (Sides) slide thru and spread.** Everybody **pass the ocean, split circulate.** When you're do a **linear cycle** here. Everybody **slide thru. Pass to the center. Square thru** and roll it go **three**, you **swing your corner, promenade** her. If it's my heart you want it's already taken.

## Middle Break:

**(Sides face grand square)** No, I don't have somebody waitin' for me at home. And except for her memory, lately I've been all alone. **(Allemande left and weave)** I can give you anything you ask; almost anything I have. But if it's my heart you want it's already taken.

## Closer:

**(Sides face grand square)** Baby, in another place or in another time we could have made the sweetest love when my heart was still mine. **Allemande left and weave.** I can give you anything you ask; almost anything I have. But if it's my heart you want it's already taken.
